- **Nature and extent of involvement of Faculty and students in academic affairs improvements**

Faculty Involvement in Academic affairs & improvements:

The following academic affairs committees:

1. Governing Body
2. Academic Council
3. Board of Studies
4. Department Advisory Board (DAB)

Faculties are the Members, Member Secretary and Chairman of all the above committees.

Students Involvement in Academic affairs & improvements:

Student involvement in academic affairs and improvements significantly enhances educational quality by integrating student perspectives into governance, curriculum development, and feedback processes. Through participation in student councils, academic committees, and peer mentoring programs, students contribute to policy-making, course design, and quality assurance. Their engagement in research projects, academic clubs, and technology initiatives ensures that educational offerings are relevant and aligned with industry trends. This proactive involvement not only elevates academic standards but also fosters student engagement, skill development, and a closer alignment between academic programs and the evolving needs of students.

- **Mechanism / norms and Procedure for democratic / good governance**
  - The Institute believes in collective efforts, symbiotic relationships and participate management.
  - The management, faculty members, administrative staff and the students are all integral parts of the Institution. They all participate effectively in the running of the Institute.
  - A belief of mutual benefit is embedded in everyone at the Institute irrespective of his or her hierarchical position. Cordial relationships are maintained. Transparency in operations and conduct is accorded top priority which has helped in creating an environment of fraternity in the Institute

- **Student Feedback on institutional Governance / Faculty performances**
  1. Alumni Feedback is taken from Alumni for the academic year. The analysis helped the institute in development of curriculum for 'Autonomy'.
  2. Feedback about Faculty is taken from students twice a semester. The various parameters on which teaching is assessed are: Communication Skills, Quality of Teaching / Academic input, Subject Knowledge, Content and Method of Delivery, Resourcefulness, Readiness of teacher, Accessibility and Availability of Teacher in Campus/ Department. Feedback is signed by the Director and conveyed to the faculty by respected Head of the Department. Counseling of faculty having feedback count less than 7(out of 10) is carried out by Head of the Departments well as by the Director for his/ her improvement.

3. An Institute level Parent Teacher meeting is conducted once every semester. During the meeting, parents are made aware about their wards' attendance, academic performance for the semester as well as about the various learning processes conducted in the institute.
4. Feedback about Institute is also taken from all students once in a year. This includes the feedback about the facilities and the infrastructure of the institute.
5. Various companies visit the campus of the institute for the placement of the students. Based on this feedback, Guest lectures, workshops, seminars are organized for students to help them to be ready for industry.

- **Grievance Redressal mechanism for Faculty, staff and students**

The Grievance Redressal Mechanism at MLRITM is designed to provide an accessible and efficient procedure for promptly addressing the genuine grievances of students and faculty, thereby ensuring a conducive and harmonious environment.

In accordance with University Grants Commission regulations, the Grievance Redressal Committee at MLRITM has been constituted to address these concerns. Students and faculty with genuine grievances may submit their complaints in writing to "The Chairman, Grievance Redressal Committee, and MLRITM.
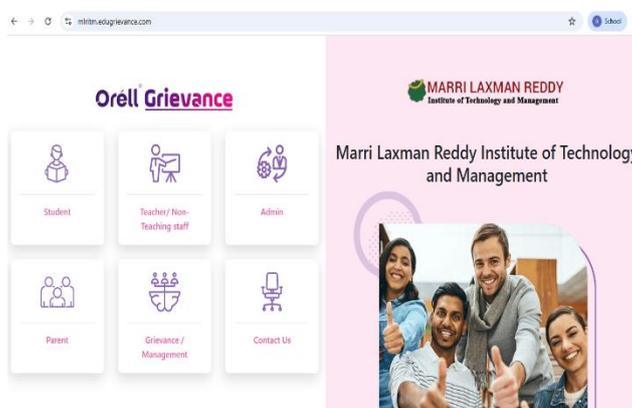

The Grievance Committee is responsible for considering individual grievances related to employment, working conditions, the quality of services assured to employees, and any other alleged injustices experienced in the course of their duties at the Institute. Grievances are systematically addressed with the active involvement and cooperation of the respective departments or sections concerned, maintaining strict confidentiality throughout the process.

The objectives of the Grievance Redressal Committee are as follows:

- Address grievances of students and staff that cannot be resolved through routine processes.
- Settle issues amicably within a specified timeframe.
- Introduce reasonable and reliable solutions for grievances received from students and parents.
- Ensure grievances are resolved impartially, confidentially, and promptly

- **Establishment of Online Grievance Redressal Mechanism**

- ## Establishment of Anti Ragging Committee

Ragging has ruined countless innocent lives and careers. In order to eradicate it, Hon'ble Supreme Court in Civil Appeal No. 887 of 2009, passed the judgment wherein guidelines were issued for setting up of a Central Crisis Hotline and Anti-Ragging database.

Complying with the directives of the Hon'ble Supreme Court of India (vide its order dated 16 May 2007) and AICTE Notification dated 25 March 2009 (issued vide F. No. 37-3/Legal/AICTE/2009), an Anti-Ragging Committee is formed for overseeing the implementation of the provisions of the Anti-Ragging verdict.

It shall be the responsibility of the Anti-Ragging Committee to ensure compliance with the provisions of UGC Regulations on Curbing of Menace of Ragging in Higher Educational Institutions 2009, as well as the provisions of any law for the time being in force concerning ragging and also to monitor and oversee the performance of the Anti- Ragging Squads detailed for prevention of ragging in the Institutions.
The Committee will monitor the measures taken by the Institute for prevention of ragging and suggest appropriate actions/punishments against individuals indulged in ragging

Anti Ragging Committee is established with the following members:

S N	Name	Designation	Department	Responsibility

- To ensure transparency in admissions and prevent unfair practices, while also providing a mechanism for students to address their grievances, the following regulations have been established based on the notification issued by AICTE, New Delhi; vide F.No.37-3 Legal/2012 dated 25th May 2012. Any aggrieved member can lodge a complaint on the institute's website through the grievance mechanism.
- Suggestion and complaint boxes have been installed at various locations on the campus. Students who wish to remain anonymous can submit their grievances and suggestions for improving academic or administrative aspects of the institute. Students and parents can lodge complaints, including those related to ragging. The concerned person can approach or write/e-mail any member of the cell or submit an application to the cell convener.
- The Online Student's Grievance Redressal Portal is also initiated by the University Grants Commission to facilitate students to lodge his or her grievance and provide a mechanism for redressal of their grievances.

• Innovation Cell

The Institute Innovation Cell (IIC) and Council facilitate and coordinate a variety of innovation activities at the Institute. These activities include providing support, mentoring, guidance, and facilitation for students with innovative ideas. The IIC also organizes and supports competitions and Hackathons, both on campus and those in which the Institute's students participate externally. Major Institute-level events such as the Intramural Innovation Competition, Convergence (Annual Technical Symposium), and Ecficio (Annual Entrepreneurship Fest) are key highlights.

Additionally, the Institute maintains active external collaborations with prominent innovation centers, including:

- **J-Hub**: JNTUH's Innovation Hub.
- **T-Hub**: The state's largest incubation hub.
- **WE-Hub.**
- **AIC-CCMB.**
- **TITA.**
- **TASK.**
- **Student TRIEB**

22. Best Practices adopted, if any

   I. Title of the Practice: A Strategic Initiative to Enhance Students' Physical, Mental, and

Emotional Well-Being at MLRITM.

The Context

Marri Laxman Reddy Institute of Technology and Management (MLRITM), Hyderabad, set up in 2009, is committed to holistic student development. Students can find the shift to engineering education most challenging, usually resulting in stress, mental exhaustion, and physical overload. To promote their well-being, MLRITM has incorporated yoga and mindfulness activities into its co-curricular and well-being programs.

Goals of the Student Yoga Initiative

- Practice standardized yoga and mindfulness activities to create a culture of wellness.

- Increase physical fitness, cognitive function, and emotional robustness.

- Enhance academic achievement through stress mitigation and mindfulness.

- Establish discipline, balance, and healthy habits for long-term success**.**

Attendance in Yoga and Meditation Sessions

- **Compulsory Attendance:** Weekly yoga sessions are aligned with academic schedules.

- **Active Participation**: Asanas, Pranayama, Meditation, and Mindfulness exercises.

- Punctuality: Students must report on time in comfortable attire.

Participation in Wellness Activities

- Orientation yoga camps during first-year induction.

- Health awareness sessions on nutrition and posture.

- Group yoga sessions to build community and enthusiasm.

Outcomes

- Improved well-being and academic performance.

- Positive community engagement and teamwork.

- Lifelong habits of health and mindfulness.

II. Title of the Practice: Strategic Initiative for Global Competence Development among Students of MLRITM.

The Context

MLRITM integrates foreign language courses into its co-curricular structure to foster global competence, cultural awareness, and communication skills. The initiative prepares students to excel in international academic and professional settings.

Objectives

- Integrate foreign language learning into the freshman curriculum.

- Improve communication, cultural flexibility, and global readiness.

- Foster intellectual excellence and critical thinking.

- Encourage lifelong learning for success in a global environment.

Foreign Language Sessions

- Mandatory weekly sessions for all B. Tech students.

- Interactive activities — cultural seminars, role-plays, and multimedia exercises.

- Focus on foundational proficiency and practical applications.

Outcomes

- Enhanced global competence and flexibility.

- Improved academic performance and critical thinking.

- Stronger intercultural networks and lifelong adaptability.

III. Title of the Practice: Digital Synergy for Enhancing Institutional Student Learning Quality and Impact

Enhancing Academic Rigor and Placement Success

Objectives

To enhance programming skills through a structured, scenario-based, test-driven lab ecosystem using Moodle LMS integrated with Code Runner for academic and placement excellence.

The Context

- Moodle LMS with Code Runner enables real-time coding assessment.

- Curriculum aligned with industry-standard problem-solving methods.

- Weekly coding challenges and Vivas promote academic rigor.

The Practice

- Development of higher-order thinking skills.

- Improved placement readiness through coding practice.

- Automated evaluation ensures transparency and accuracy.

Outcomes

- Improved understanding of programming concepts.

- Enhanced problem-solving and analytical abilities.

- Boosted confidence and readiness for real-world programming.
